## OUR NEW PERMANENT PRESENCE IN TALLAHASSEE

### Fighting for Pro-Family Values in the Capitol City

We are pleased to announce the official launch of the Florida Family Policy Council's Tallahassee Office. This is an important step forward in helping to shape pro-life and pro-family public policy. The FFPC Tallahassee office will provide unprecedented access to the legislative process beginning with the 2007 Regular Session of the Florida Legislature.

We are committed to principled persuasion in the legislative process. Our Tallahassee office will provide the proximity and credibility needed to directly reach our lawmakers with the information and real life impact that will help them make important decisions that affect the family.

The Tallahassee operation is being run by Nathan Dunn, our Vice President of Public Policy. Nathan oversees the public policy education and governmental relations efforts of the organization. He will monitor various bills during the legislative session and contribute to the policy making process through meeting one-on-one with lawmakers and offering supporting materials and research. See a recent video of Nathan giving testimony on parental rights before a Senate committee on the local CBS Miami affiliate TV station [HERE](#): To learn more about Nathan's professional background and family click [HERE](#):

With offices and staff now in both Orlando and Tallahassee, the FFPC faces the increasing challenge of meeting our annual budget, which now comes to just under one half

million dollars. We are committed to operating in the most efficient way as we represent your voice and your values throughout the state. This mission is able to move forward only through the generous support of you and others who share our concern for defending life and protecting the family.

We currently have a need of \$75,000 to meet our expenses of this quarter during the legislative session. If you think our efforts are worthy would you please support us with a small gift which will go directly toward our Legislative efforts through our new Tallahassee effort? You can give online right now using our secure PayPal program [HERE](#):

Thank you for caring enough to get involved.

Respectfully,

John Stemberger  
President & General Counsel
