

PASTORS:

We invite you to The State Capitol in Tallahassee, Florida, to participate in the 2025 Church Ambassador Network.

We are inviting Florida's pastors and Christian Ministry Leaders to this strategic time of outreach to our elected civic officials. Join us as we meet with and pray for our leaders in all 3 branches of government. Come and experience what God is doing in this important arena of service. Your life, and the lives of our civic leaders, will never be the same after participating in this ministry.
