ARTICLES & PODCASTS

Pastor, there are multiple ways for your congregation to hear from you. We encourage you to consider teaching a message, recording a podcast, or writing an article on the topic of government that walks your people through the Word and what God has to say about government.

TOPIC AREAS

- Government is one of God's three institutions. (Romans 13:1; 1 Peter 2:13-17)
- Government is the institution of justice. (1 Peter 2:13-14)
- Government is designed by God to be a servant for our good. (Romans 13:4)
- Governing authorities are ministers of God. (Romans 13:1-7; Daniel 2:21)
- The Church is called to pray for authorities to help order and bless human civilization. (1 Timothy 2:1-2)
- The Church is called to bring the gospel to Government. (Acts 9:15; Acts 26:1-15)
- Communities can be transformed through partnerships between the church and the state, as seen in the examples of Joseph and Pharaoh, or Daniel and Nebuchadnezzar.
- Your vote is a gift from God to be stewarded.
