FEATURING PASTOR AND AUTHOR **DAVE RUNYON**, Executive Director CityUnite

Dave is the co-founder and director of CityUnite, and is the author of the book, *The Art of Neighboring*. As a pastor, David launched a neighboring movement that mobilized over 70 churches and 40,000 people in the Denver Metro area. Currently, over 1,000 churches are using the neighboring materials. It all started by asking the question...

**“What if Jesus meant we should  
actually love our neighbor?”**
